Dear Parents / Guardians

Following yesterday's Ministerial announcement, the mid-term break has been extended. **School will finish at 2pm on Friday 16 October and remain closed from Monday 19 October and will not reopen until Monday 2 November.**

- During the extra week's holiday, **no remote learning or learning packs** will be provided as per Department of Education instruction.
- There will be **no key worker provision** as per Department of Education instruction.
- During the week beginning 19 October direct payments will be made to **pupils in receipt of Free School Meals.**

Apologies for the late notice of these changes, we only received official notification of this directive from the Department of Education yesterday afternoon.

I appreciate that this is stressful and challenging time for the whole school community. Please continue to follow government guidelines over the coming weeks so that we can all return to school safely.

Take care and keep safe,
Miss Keegan
